

APPM 2450 - Calc III Lab - Syllabus

Adam Fox - MATH 205 - adam.fox@colorado.edu

Summer 2009

- **Instructors:** Adam Fox, MATH 205, adam.fox@colorado.edu
- **Office Hours:** TW 4:00-5:30, R 2:30-3:00, F 11-12:30
- **Note:** These office hours are not only for lab questions. You can come and ask about homework, APPM 2350 labs, exams, etc.
- **Lab Goals:** To cover selected topics in calculus with a focus on using Mathematica. Additionally, this course will also address the topics and tools needed to complete each of the two lab reports due in APPM 2350.
- **Worksheets:** There is no homework in this course. However, there are worksheets that must either be completed in class or emailed to the instructor by midnight on the following Friday. Late worksheets will not be accepted.
- **Grades:** Your grade in this course is based upon attendance and worksheets. Attendance is worth one point per week while successfully completed worksheets are also worth a point. **If you miss more than 1 class or more than 1 worksheet you automatically fail the course.**
- **Course Web Page:** <http://amath.colorado.edu/courses/2450/>
- **Academic Honesty:** Group work is fine, and in fact is encouraged, but you must turn in your own work! For more information, see: (<http://www.Colorado.edu/academics/honorcode>) and/or (http://www.Colorado.edu/engineering/ar_ugradavisng.html).
