This assignment is due under your TA’s office door by **4:00pm on Friday**, September 4th. Remember that you are encouraged to discuss the problems with your classmates, but all work turned in must be your own.

1. Section 10.1: 1, 4, 7, 8, 9, 20, 35  
   (These are the same as the WebAssign problems for this section.)

2. Section 10.2: 13, 16, 22, 28  
   (These are the same as the WebAssign problems for this section.)

3. Section 10.3: 33, 44, 48, 50  
   (But these are NOT the same as the WebAssign problems for this section.)

**Note:** There are no “Standard Problems” for this week.
